STANFORD UNIVERSITY DEPARTMENT OF ECONOMICS

ECON 1 Waiver Request

Student Name: __________________________ Student ID #: __________

E-mail Address: __________________________ Phone Number: __________

Fast Track Petition Regarding Econ 1

Students scoring a 5 on both the advanced placement (AP) microeconomics and macroeconomics tests or a score of 7 on International Baccalaureate (IB) higher level economics test may petition the Director of Undergraduate Studies to have the ECON 1 course requirement waived. Students do not receive units credit for placing out of ECON 1.

Students whose petitions are approved and are thus exempt from Econ 1 are required to replace the 5 units of Econ 1 credit with alternate 5 units of upper division (Econ100 - Econ198) elective credits.

Please attach your typed statement to this form on a separate page indicating why a waiver for Economics 1 is warranted. A copy of the test scores supporting your statement must also be attached to this form.

Submit completed form and required materials to the Undergraduate Assistant in the Economics Department Academic Office, Econ 137

Approved: ____ Denied: ____ Date: __________

Signature of the Director Undergraduate Studies
