

STANFORD UNIVERSITY ECONOMICS DEPARTMENT

ECON 1A Waiver Request

Student Name: _____ Student ID #: _____

E-mail Address: _____ Phone Number: _____

Fast Track Petition Regarding Econ 1A

Students scoring a 5 on the high school advanced placement test in microeconomics and macroeconomics may petition to the Director of Undergraduate Studies to place out of Economics 1A. There is no similar provision for placing out of Economics 1B. Placing out of Economics 1A does not earn units credit toward the major.

Students whose petitions are approved and are thus exempt from Econ 1A are required to replace the 5 units of Econ 1A credit with alternate 5 units of upper division (Econ100 - Econ199, excluding Econ 190-191) elective credits.

Submit this completed form and the required copy of AP test score to the Undergraduate Administrator in the Economics Department Academic Office, Econ 136.

Students who receive approval to waive Econ 1A will need a permission number to enroll in Econ 1B online in Axxess. Request the permission number from the Undergraduate Administrator in the Economics Department Academic Office.

Approved: ____ Denied: ____ Date: _____

Signature of the Director Undergraduate Studies
