PREREQUISITE FORM
FOR 2016 SUMMER SESSION VISITING NON-STANFORD STUDENTS

(Use a separate form for each Stanford Economics course you want to enroll in)

Non-Stanford students who want to enroll in Stanford Economic courses during the 2016 summer session must meet the pre-requisites required for Economic courses: 50, 51, 111, 140.
This form is not necessary for Econ 1 which does not have pre-requisites.

A non-Stanford course may be recognized as meeting the prerequisite if the course taken was similar in coverage and analytical level to one offered at Stanford, as judged from the course descriptions, syllabus, text, or other materials you can provide.
