

STANFORD UNIVERSITY DEPARTMENT OF ECONOMICS

ECON 1 Waiver Request

Student Name: _____ Student ID #: _____

E-mail Address: _____

Fast Track Petition Regarding Econ 1

Students scoring a 5 on both the advanced placement (AP) microeconomics and macroeconomics tests or a score of 7 on International Baccalaureate (IB) higher level economics test may petition the Director of Undergraduate Studies to have the ECON 1 course requirement waived. Students do not receive units' credit for placing out of ECON 1.

Students whose petitions are approved and are thus exempt from Econ 1 are required to replace the 5 units of Econ 1 credit with alternate 5 units of any Econ course(s) taken for letter grades.

Please attach your typed statement to this form on a separate page indicating why a waiver for Economics 1 is warranted. A copy of the test scores supporting your statement must also be attached to this form.

Submit completed form and required materials to Laura Quirarte, Undergraduate Student Services Officer, lauraq@stanford.edu
